If your overpayment is less than your first quarter estimate payment, reduce your payment for the next tax year by taking credit for it now. If you request a refund, refunds take approximately 8-12 weeks to receive a check. Please indicate your choice by placing an X in the box on line 13A if you choose to receive a refund or 13B if you choose to receive a credit.

LINE 14

2010 SCHEDULE INSTRUCTIONS

REAL ESTATE AGENTS who represent a broker whose office is located in Parma are required to file and to include all commissions earned regardless of location of property sold or residence of salesperson.

BUSINESS OR RENTAL LOSSES The net losses from self-employed business, profession or rental property **may not** be used to offset earned income such as salaries, wages, etc. A loss in one city may **never** offset the gain in another city. However, a loss in one city from a Schedule C or Schedule E may offset a Schedule C or Schedule E gain in the **same city**. Losses from a 1065, 1120 or 1120S **may not** be used against any, Schedule C, Schedule E, 1065, 1120, or 1120S no matter what city they are in. A net operating loss may be carried forward for five (5) years. The portion of the net operating loss sustained shall be allocated to the city in the same manner for allocating net profits to the city.

SCHEDULE C All business entities must attach copies or facsimiles. If you had more than one business, a separate Schedule C must be completed for each business. An individual taxpayer engaged in two or more taxable business activities in a single municipality may include them in the same return. If your business activity was conducted in more than one municipality, see Schedule Y.

Accounting methods used must be identical to that used for federal reporting.

A copy of your federal return (1040 C & F, 1065, 1120, 1120S, etc.) and schedules must be attached.

SCHEDULE G When the gross monthly rental of any and all real properties aggregates in excess of \$125.00 per month, the owner is considered engaged in a business activity and the net income shall be subject to the tax. Information on this schedule must correspond to Schedule E, Part II as filed with the Internal Revenue Service, using the same method of depreciation. Loss from one city may never offset the gain in another city. Rental losses may not be used to offset wages earned.

SCHEDULE H This schedule is used to list all other taxable income not reported elsewhere on this return. Types of income to be reported here are: *partnership, estates, trusts, fees, tips, prizes, awards, commissions, supplemental unemployment benefits, property in lieu of cash, excess business expense reimbursement, refunds of local taxes to business entities if deducted in a prior year, taxable income from all other sources.

SCHEDULE X is used for the purpose of making adjustments when total income (line 4) includes income not taxable and/or items not deductible for city purposes. Enter the amounts of any such items in schedule X and carry totals (line M and line Z) respectively to lines 5(a) and 5(b).

Line a - Capital losses from the sale, exchange or other disposition of property shall not be taken into consideration in arriving at net profits earned.

Line b - If you have deducted non-taxable income (line Z), expenses attributable to this non-taxable income shall not be allowed as a deduction from the remaining taxable income. In the absence of records showing the actual expenses attributable to such non-taxable income, the minimum shall be deemed to be 5% of the non-taxable income.

Line C - Would include federal, state, local and other taxes based on income.

SPECIAL NOTE: The new Ohio Corporation Franchise Tax, if

based on income is not allowed as a deduction, however, the amount based on net worth is allowable. If line 3(c) of your Ohio Corporation Franchise Tax Report (form FT-1120) exceeds line 7, we suggest the following: Enter on line H the amount of tax shown on line 3(c) of schedule A form FT-1120.

Enter on line Q the amount of tax shown on line 7 of form FT-1120. The only exception to this method would be when the minimum tax of \$50.00 is paid or when the amount of line 7 of form FT-1120 is greater than line 3(c). In this instance, the tax is based on net worth and no adjustments need be made.

Line N - Capital gains from the sale, exchange or other disposition of property shall not be taken into consideration in arriving at net profits earned. However, refer to schedule D instructions.

Line Q - Would include items listed in the general instructions as: Income Not Taxable, as well as compensation or like reimbursement for damages (except for loss of profits), involuntary conversion, cancellation of indebtedness, income of a decedent's estate during the period of administration (except business income), items of income already taxed by the State of Ohio from which this municipality is specifically prohibited from taxing, income which is prohibited from taxation by the constitution of the United States and the State of Ohio or any Act of Congress or the Ohio General Assembly.

EMPLOYEE BUSINESS EXPENSE To qualify for the Employee Business Expense deduction for municipal income tax purposes, the taxpayer must also itemize his deductions for Federal Income tax purposes. Attach copies of Federal Form 1040, Schedule A and 2106. The amount of Employee Business Expense deduction allowed against Municipal income tax is limited to the amount that the tax-payer's 2106 expenses exceed 2% of the taxpayers Federal A.G.I. Tax credits from other communities shall be proportionately reduced.

SCHEDULE Y A business apportionment formula consisting of the average of property, gross receipts and wages paid, may be used by business entities not required to pay tax on entire net profits, by reason of doing business both within and without this municipality. However, if the books and records of the taxpayer shall disclose with reasonable accuracy the net profit attributable to this municipality, then only this portion shall be considered as having a taxable situs in this municipality.
